

Eng. Ahmed Salem Al Dhaheri
NMDC Energy CEO

Eng. Ahmed Al Dhaheri is the Chief Executive Officer (CEO) of NMDC Energy (formerly NPCC), a position he has held since 2018.

He leads the transformation of the company and oversees the growth strategy, focusing on new markets and capabilities while driving operational excellence across all levels.

In addition to his role at NMDC Energy, Mr. Al Dhaheri serves as Chairman of NTS Group Middle East, Vice Chairman of GAL and AMMROC UAE, Chairman of NPCC Engineering Limited (NEL) and ANEWA, board member of Abu Dhabi Aviation, and board member of PRINCIPIA France and Gordon Technologies.

Mr. Al Dhaheri has over 22 years of in-depth experience in the industrial sector. Prior to joining NMDC Energy (formerly NPCC), he was the Chief Commercial Officer of Emirates Steel, where he played a leading role in the delivery of the company's expansion strategy. Prior to that, Mr. Al Dhaheri held a Director position at the General Industry Corporation (GIC).

Mr. Al Dhaheri holds a Bachelor of Science in Industrial Engineering from the University of Miami and a Masters Certificate in Project Management from the George Washington University, as well as an Executive MBA with honors from UAE University.
